## SCOTLAND.

*Following is a Copy of the Reverend Mr.* Thomas ..., *Minister of the Gospel at* Abbotshall, *his Declaration from the Church of* Scotland, *given in by him to the Presbytery of* Kirkcaldy, *upon the* 22*d* ult.

WHEREAS I have had Occasion of late to read and consider a printed Paper, entitled, *Act, Declaration, and Testimony, for the Doctrine, Worship, Discipline, and Government of the Church of* Scotland, &c. by some Ministers associate together for the Exercise of Church Government and Discipline, in a Presbyterial Capacity. And ... upon Examination of the said Paper, that this ... and her Judicatures is deeply involved in a ... Course of Defection from the Lord, and that ... position to Solemn Covenant Engagements: ... instead of adopting the said Testimony, or any ... towards a Reformation of the Backslidings ... enumerated, there is a holding them fast, and ... to return unto the Lord: Yea, I cannot help ... that many Ministers are willingly walking ... the Commandments of Men, proceeding from ... verse, even to the Profanation of God's Day ... Worship, practically and publickly renouncing ... lone Headship and Sovereignty of CHRIST in ... Church; which Scandals and Offences I now de... of ever seeing purged, or the guilty Persons ... ght under due Censure: By which Means the ... Lump of the Established Church, and all in ... munion with her, to me seems to be leavened. ... these and other Reasons that might be added, I ... it my Duty to Declare and Protest, That I ... make a Secession from this Presbytery, and all ... ior Judicatures of this Church, and adhere to ... aforesaid Testimony, and these Ministers and ... sors in Scotland who are adhering to the Laws, ... ces, and Prerogatives of Christ; and that it ... be lawful for me to join with the foresaid Mi... in a Presbyterial Capacity, and that my mini... Conduct shall be under their Trial and Cog... ce: Craving that this my Declaration and Pro... ion be recorded in the Presbytery Books, and ... wed an Extract thereof; and upon the Whole ... Premisses I take Instruments.

*Extract of a Letter from Capt.* Donald *at St* Christopher's, *dated* August 13, 1737.

'We sailed from St. Christopher's June 28, bound 'to Curasao, and upon the 1st of July, in the La-'titude of 14, (which is 80 Leagues from any 'Spanish Coast) we met with the Spanish Snow of '16 Guns, that belongs to the Armada of the Bar-'lavento Fleet of Vera Cruz. We made her in the 'Morning

'Morning about 6 o'Clock; ſhe was about two 'Leagues to Windward of us; ſhe bore down upon 'us, and we hoiſted our Colours; but ſhe would not 'anſwer us with her's, until ſhe came cloſe to us; 'and her firſt Salutation ſhe made us, was with a 'whole Broad Side, and calling out to us to ſtrike to 'the King of Spain, we being all ready, gave her a 'Broad Side with our 3 Guns, and ſhe loaded and 'gave us another; we anſwered them with the ſame. 'I hawl'd cloſe upon a Wind, but found ſhe wronged 'me, and came very nigh us; then I brought all be-'fore the Wind, and found we wronged her. She 'chaſed us 11 Hours, ſtill firing her Chaſe Guns; 'but by good Management we got clear of them.

'The News we have in Curaſao is, the Du ch 'have fought Braſa Vang (a notorious Spaniſh 'Guarda Coſta) and killed him. A Dutch Man of 'War has ſtopt a Sloop ſent by the Biſcay Company, 'with one of their Factors, and demands all the 'Dutch Priſoners. They have ſent a Sloop to 'Lagueira; but have yet receiv'd no Anſwer.

WHereas many Inconveniencies have attended the ordinary manner of ſupplying the Kingdoms of England and Ireland with Pyrmont Water; particularly, the Water frequently lay long in the Merchants Hands at Bremen before tranſported to England, and afterwards yet longer in the Poſſeſſion of the Sellers in London before ſold: ſo that ſometimes, before it came to the Drinkers Hands, it would be a Year old, or upwards. Moreover I have detected Perſons filling Bottles (marked with a Star, like thoſe in which I uſed to fill the Pyrmont Waters) at a common Spring, in order to tranſport and impoſe them upon the Publick, for the true Waters of Pyrmont. And further, to my certain Knowledge, great Quantities of falſe Waters were purpoſely filled in this Country, and impoſed laſt Year on the Publick deſignedly, by ſome Traders in England, in order to prejudice this Fountain, and to the Detriment and Diſappointment of the Drinkers. And on the other hand, being well aſſured of the Integrity of Mr. EYRE, ſworn Purveyor of all Mineral Waters to their Britannick Majeſties and being an Eye-witneſs of the Improvements he has made in filling theſe Waters, whereby they are now tranſported in greater Perfection: Therefore I do appoint him, jointly with my Brother JOHN-HENRY REISENER, to tranſport into England and Ireland the ſaid Waters, which ſhall be ſent them from time to time, and be ſold by *them only*, or by ſuch as *they ſhall appoint*, by which Method the Dominions of his Britannick Majeſty will be conſtantly ſupplied with FRESH PYRMONT WATER, and the foregoing Inconveniencies be in ſome meaſure prevented: And for a further Caution, all the Bottles filled with the ſaid Water will have the Arms of his Highneſs the Prince of Waldeck impreſſed on the Side, agreeable to a Patent granted them by his Highneſs for that Purpoſe; and all ſuch as are not thus marked, agreeable to the above Impreſſion, are not to be depended on to be the true Waters of Pyrmont.

*Pyrmont, Mar.* 30. 1737. CHRISTIAN-ULRICH REISENER, *Maſter of the Pyrmont Wells.*

THESE are to certify, That Meſſ. JOHN-HENRY REISENER and HENRY EYRE have cauſed to be filled, in their Preſence, 34,113 Bottles of Pyrmont Water, which Water was filled in a good Seaſon, and when it was in its utmoſt Perfection, and was corked, wired down, and ſecured by an excellent Compoſition, after an improved Method.

For the EYES,

*The ſo-much Fam'd* CHYMICAL LIQUOR,

WHICH at once infallibly cures Inflammation, Sorenеss and Weakness of the EYES, Defluxions of ſharp Humours, Dimneſs of Sight, Specks, Films, or beginning Cataracts, and that after all other Means have fail'd, and without cauſing the leaſt Trouble or Uneaſineſs in uſing.

It directly heals and cures all Manner of Sore-nеss in Eyes in Children or grown Perſons, tho' of many Years ſtanding, and whether proceeding from the Evil, or any other Diſtemper.

It effectually takes away all Specks, Films, or Haws, Cataracts to Admiration, as alſo all Flies or Gnats that ſeem to ſwim before the Sight; it wonderfully ſtrengthens the Optick Nerves, comforts the Eyes, immediately removes all Dimneſs, clearing the Sight, and infallibly preſerving it ſtrong and good to exceeding old Age.

Hundreds who were ſo very dim-ſighted for ſome Years as ſcarcely able to diſtinguiſh any thing, and imagin'd their Age to be the Occaſion, have been perfectly and almoſt inſtantly cured by it, ſo as to read the ſmalleſt Print without Spectacles; and for Opthalmies, or Sore, Bloodſhot, or Red my Eyes, no Medicine upon Earth can come near it. *An Infallible* REMEDY

*For* BROKEN-WINDED HORSES,

WHich has been publiſhed and ſold many Years before any Counterfeits in other Forms appeared; and highly commended from one Perſon to another. The vaſt Quantities that have been ſold alſo verify the Truth of its Efficacy and Virtues, which perfectly cures them, after many things premiſed have proved ineffectual, to a Wonder, in a ſmall time, without Confinement; by attenuating and opening the Globules of the Lungs dried up, and all the Paſſages obſtructed by Humours dripping thereon, occaſion'd by hard Riding, Colds, &c. cauſes preſently a free Perſpiration, renewing its Vigour and Length again, as well as ever.

It immediately cures thoſe Horſes only a little touch'd in their Wind, as alſo all continued Coughs, Colds, Wheezing, &c. being excellent in preventing many other Diſtempers incident unto them, by maintaining, preſerving, and continuing a good Breath.

And in a word, by this very Medicine alone, many Horſes have been made ſo perfectly ſound, that they have been ſold and valued at 10 and 12 l. which by being Broken-winded could not before be ſold for 3 or 4 l.

It is ſold at Mr. Sandwell's Toy-Shop at the Griffin, the Corner of Buckler's-Bury in the Poultry, at 4 s. 6 d the Quart Bottle, with Directions for taking it; and no where elſe in England.
